How does this work?

Skaters will receive lessons from the Coaches in various formats such as private semi-private, and group. When skaters are not in lessons they will practice individually.

These lessons are a separate fee that is not included in registration. Registration includes ice costs, club fees, and Skate Canada fees.

Assessments

STAR 1-5 is Assessed by Coaches in regular lesson format. They will generally cost one lesson fee plus the mandatory Skate Canada fee of \$12.00.

Parents will be **notified when their skater is ready for an assessment. They must be paid for in advance online.

Test Days

STAR 6 – Gold will need to be **tested** at a **scheduled test day**. Coaches will coach skater on test day and a Skate Canada **Evaluator/Judge** will test skater and decide if they are ready to Pass.

Test days are **scheduled in advance** at various clubs in our region during the skating season. Expect to be attending a test day every couple of months at clubs such as Okotoks, Black Diamond, and our own HRSC.
